The 55,000 square-foot Czech Hall campus opened in August 2008. The facility was built to better serve the population explosion occurring on the east side of the Canadian Valley district. It was named in honor of Dr. Earl Cowan, who retired in August 2008 after 38 years with CV Tech, 24 as the district's superintendent. The campus is located at the southwest corner of SW 15th and Czech Hall Road, just north of Mustang, east of El Reno, west of Oklahoma City, and southwest of Yukon.
